# BOOK OF COLOURS

/ INTERIORS 2016

Life isn't black and white, and we wouldn't have it any other way. We understand how important finding that perfect shade of yellow for your own bedroom is, or the perfect place for that mahogany chest. Setting up your home is exciting and can be confusing too. Here's a book of inspiration to help you decorate a home that's truly you.

Asian Paints presents The Book of Colours 2016, a handy guide to emerging decor and colour trends curated for the Indian home.
